St.Paul's church - St. Paul's church is dedicated to our Lady of Immaculate Conception. The construction of the church was started in 1601 and was completed in the year 1610. The main facade of the church is perhaps the most elaborate of all Portuguese churches in India. The façade has been illuminated by flood lights. The church adorned with curiously treated volutes and shell - like motifs and the magnificent wood carving is considered to be the most elaborate of all the Portuguese churches in India. St. Paul Church, built in 1691 is consecrated to our Lady of Immaculate Conception. In architectural style it resembles Bom Jesus Church at Goa. The dominant features are, no doubt, Gothic. The wood - paneling of the church is rated one of the best in church craftsmanship Diu Fort: It is an expansive and imposing structure, situated on the coast of the island. The fort commands a magnificent view of sea. It was constructed between 1535 and 1541 AD. The fort is skirted by the Sea on the three sides. On the fort stands a giant Light House. Several canons still stare menacingly from top. The main front wall is having five huge windows with stone galleries. The Fort has been creatively lit, which creates a breath taking views at night. Rugged yet gentle, fierce yet loving. The majestic structure stands on the coast of DIU as a sentinel. Once inside, you are overwhelmed by the gaunt majesty of the ancient stone work which transports you to a bygone era of gallant soldiers where time stands still. Overnight stay at Diu.

Day 3: Diu Sasangir (120kms)

Morning after breakfast proceeds to Sasangir, Sasan Gir Lion sanctuary is home of some 300 Asiatic Lions. Sasan Gir is only place in world outside African continent where lion can be seen in its natural habitat. Gir Wild life Sanctuary is the last refuge of Asiatic lions in India and the lion population residing in the park is a little over 300. The whole coverage area of Gir Sanctuary is about 560-square-mile (1,450-sq-kms). Gir is not just about Lions, the second most commonly found predator in the Gir is Leopard. Infect, Gir national park is also home to one of the largest Leopard populations in any park in India, and especially in the hotter season they can sometimes be seen at night close to the lodges. There animal residents of the Gir national park are Sambar Deer, Chital Spotted Deer, Nilgai Antelope, Chowsingha Four-Horned Antelope, Chinkara Gazelle, Wild Boar, Langur Monkey, Jackal, and Hyena and numerous birds like Paradise Flycatcher, Bonneli's Eagle, Crested Serpent Eagle, Woodpeckers Flamingo etc. bout 10, 000 years ago lions spanned vast sections of the globe, but as the human population started to increase, trees were cut and forests were cleared to make more land for people to live in. Now lions only in small fractions in some parts of the world. And Asiatic lions, a subspecies that split from African lions perhaps 100,000 years ago, are only found in the Gir wildlife Sanctuary.
